

JOIN US TO LEARN ABOUT APPRENTICESHIP PROGRAMS ON PAINTING AND DRYWALL FINISHING!

Please join us for our open house on November 13th, 2018 from 9am-1pm. As part of National Apprenticeship Week, this event will feature a presentation about DC14 Apprenticeship Programs successful Apprenticeship Program, as well as a facility tour and a special panel where attendees can hear from our apprentice instructors, the Director of Training and several of our current apprentices. The event is free and open to the public and business community.

According to the U.S. Department of Labor, Apprenticeship has dramatically improved the lives, careers and opportunities for millions of workers, and more than 150,000 businesses over the last 80 years, from careers in healthcare, energy and IT, to manufacturing, transportation and more.

The benefits are substantial - companies that offer Apprenticeship Programs can diversify their workforce, improve productivity and profitability, standardize training, reduce turnover, receive tax credits and more. For apprentices, the average starting wage is more than \$60,000, and workers will earn an average of \$300,000 more over their lifetime than their non-apprentice peers.

Getting started is easier than you think! Apprenticeship helps companies develop a world-class, customized training model that combines work-based learning with related classroom instruction using the highest industry standards. Hear about our experience and learn how you can get started by attending our special open house.

DATE: Tuesday, November 13th, 2018

LOCATION: DC14 Apprenticeship Facility: 1101 Taft Ave Berkeley, IL 60163

TIME: 9am-1pm

Refreshments and a light lunch will be served at noon.

Please send your RSVP to Jessica Kollman at jessicakollman@dc14apprenticeship.org by **Friday, November 9th, 2018.**

Help us spread the word! Throughout the week, post to Twitter, Instagram and other social media platforms using #NAW18 and email your event pictures and videos to NAW@dol.gov so they can be shared on the National Apprenticeship Website at www.dol.gov/apprenticeship/NAW.
